Granite State Comicon 2019

Welcome to the Granitecon 2019!

We are very excited for the 17th installment of the Granite State Comicon as we celebrate the 35th Anniversary of the Teenage Mutant Ninja Turtles with TMNT co-creator Kevin Eastman! As many of you know Kevin, along with Peter Laird, created the turtles in Dover, NH, and the first issue made its debut at a comic book show in Portsmouth; so it's very exciting to have Kevin back here in New Hampshire to celebrate this milestone!

We're also excited to welcome Southern New Hampshire University as a sponsor of this year's event. SNHU recently launched an eSports Program at the university and we have members of the team with us this weekend in the SNHU eSports Arena located in the Fan Zone. Stop by and join one of the video game tournaments happening this weekend!

As part of our partnership with SNHU, we have selected the Manchester Boys & Girls Club as our official charity for 2019. We have a long history with the club and we're proud to be donating a portion of our proceeds to them this weekend!

This year we also welcome Cross Insurance as the official insurance company of Granite State Comicon. Stop by their booth this weekend to find out how you can insure your collectibles! They are also collecting comic books and graphic novel donations for our troops stationed overseas!

So whether this is your 1st Granite State Comicon or your 17th, we invite you to take the time to enjoy everything the convention has to offer. There are events happening on both sides of the hotel and just above the lobby on the mezzanine level, including the new Calmer Passion Sensory Friendly Room!

The program you hold in your hands is chock full of information including; panels, gaming events, and more! If you have any questions, or need anything, please feel free to stop and ask one of our "Red Shirt" volunteers for help!

Make sure to follow us on social media for constant coverage throughout the weekend! There will be Facebook Live posts (facebook.com/granitecon), and our whole team will be Instagramming (@granitestatcomicon) and Tweeting (@granitecon). Don't forget to tag us using the official hashtag #granitecon2019 in your post; we want to see the event through your eyes!

We would like to thank our guests for joining us this weekend, the awesome vendors and artists in artists alley, our army of volunteers, and our amazing staff for making this weekend possible! Enjoy the convention, and we'll see you back here September 12th and 13th, 2020! Who knows, maybe we'll have a few surprises up our sleeves...

Granitecon Do's & Don'ts

For veterans and new-comers alike, here's a handy guide for what (and what not) to do while you're here!

DO

Be friendly, smile, say hi, and make new friends! Be nice to the volunteers, staff, guests, cosplayers, AND each other.

Stay hydrated and take occasional breaks. It can be a long, hot day (or two).

Shower & use deodorant. It's common courtesy, especially in a sea of humanity.

Use hand sanitizer; you don't want to catch "Con Crud"!

Attend panels & workshops – from Artists, to Celebrities, to Fandoms – we have something for everyone!

Ask artists about sketches. Yes, it may cost money, but you'll get a one-of-a-kind piece of art, and they love drawing for you!

Be respectful of other fandoms; at the end of the day we're all just fans.

ASK RED SHIRTS QUESTIONS! They're your best bet for information and directions!

Have paper copies of anything you need (tickets, schedules, etc.).

Know where the bathrooms are (DON'T be afraid to ask).

Tip your hotel cleaners each morning – you have a lot of trash (food, fliers, wrappers, etc.)

Buy an exclusive Wild Bill's mug; they're refillable!

Stay to the right while walking through the halls.

Look out for our tiny fans and try not to trample them!

DON'T

Harass cosplayers. They are people just like you.

Forget your camera; Plenty of sites to see and memories to capture.

Monopolize a Celebrity's time! Be polite, be cool and be quick while getting autographs. The same goes for Photo-Ops!

Put your food, drink, or "stuff" on ANY artist, vendor or celebrity tables. You don't want to accidentally ruin merchandise!

Burn yourself out trying to be everywhere—take it slow.

Forget to bring snacks!

Be a line-cutter; be patient & be respectful of your fellow fans.

Lease your valuables, personal items, or purchases behind.

Take photos of cosplayers without permission.

Lose your badge. Put it in the same place when you take it off so you're not hunting for it.

Wear offensive t-shirts or anything that make other people or Granitecon staff want to ask you to leave.

Stop in the middle of a crowded walkway to take photos. Pull off to the side or move to a less crowded area.
