# GRANITE STATE COMICON 2021

## Welcome to the 2021 Granite State Comicon!

Man it feels good to be welcoming people back to Granitecon after a year off due to Covid-19! While we aren't fully back to normal, we have a really fun weekend ahead of us. We still have lots to see and do throughout the hotel, the biggest difference is this year it's not just the cosplayers wearing masks. With the Delta Variant making the rounds we have required everyone over the age of 5 to wear a mask so we can all have a fun and safe time! Remember heroes wear masks to protect those around them. Hopefully next year we'll be back to normal as we have some BIG plans in store for 2022!

If this is your first Granite State Comicon, make sure to make your way around the hotel to see everything that Granite State Comicon has to offer, programming happens on both the North (Armory/Ballroom) and South (Expo Hall) sides of the hotel. On the South side you will find artist alley, celebrity autographs, vendors and the Magic of the Nerd Magician! You will also find the Calm Passion "Calmer Space," a sensory reduced room for our friends who might need an escape from the hustle and bustle of the con! The North side of the hotel features our Fan Zone which includes more vendors and more artists! You'll also find our Kids Zone organized by Kids Con New England! You will also be able to meet our costumed friends the 501st New England, Alderaan Base, The Ghostbusters of Massachusetts, The Finest - A GI Joe Costume Club and the New England Brethren of Pirates! The North side of the hotel is also where you will find our panel rooms and our board game room lounge organized by

Victory Condition Gaming! We hope you get the chance to check out everything that Granite State Comicon has to offer!

For nightlife this year we are doing something a little different. Instead of organizing a centralized afterparty we are encouraging our fans to head downtown and check out all the nightlife Manchester has to offer. It's been a tough year for bars and restaurants and we hope you'll show them some love!

If you have any questions or need anything please feel free to stop and ask one of our "Red Shirt" volunteers for help!

Make sure to follow us on social media for constant coverage throughout the weekend! There will be Facebook Live posts (facebook.com/granitecon), our whole team will be Instagramming (@granitestatcomicon) and posting on Twitter (@granitecon). Don't forget to tag us using the official hashtag #granitecon2021 in your posts as we want to see the event through your eyes!

We would like to thank our guests for joining us this weekend, the awesome vendors and artists in Artist Alley, our army of volunteers and our amazing staff for making this weekend possible! Enjoy the convention and we'll see you back here September 17th and 18th, 2022!

# GRANITECON DO'S & DON'TS

For veterans and new-comers alike, here's a handy guide for what (and what not) to do while you're here!

## DO

**B**e friendly, smile, say hi! Be nice to volunteers, staff, guests, cosplayers, AND each other.

**S**tay hydrated and take occasional breaks. It can be a long, hot day (or two).

**S**hower & use deodorant. It's common courtesy, especially in a sea of humanity.

**U**se hand sanitizer; you don't want to catch "Con Crud"!

**A**ttend panels & workshops – from Artists, to Celebrities, to Fandoms – we have something for everyone!

**A**sk artists about sketches. Yes, it may cost money, but you'll get a one-of-a-kind piece of art, and they love drawing for you!

**B**e respectful of other fandoms; at the end of the day we're all just fans.

**A**SK RED SHIRTS QUESTIONS! They're your best bet for information and directions!

**H**ave paper copies of anything you need (tickets, schedules, etc).

**K**now where the bathrooms are (DON'T be afraid to ask).

**S**tay to the right while walking through the halls.

**L**ook out for our tiny fans and try not to trample them!

## DON'T

**H**arass cosplayers. They are people just like you.

**F**orget your camera; Plenty of sites to see and memories to capture.

**M**onopolize a Celebrity's time! Be polite, be cool and be quick while getting autographs. The same goes for Photo-Ops!

**P**ut your food, drink, or "stuff" on ANY artist, vendor or celebrity tables. You don't want to accidentally ruin merchandise!

**B**urn yourself out trying to be everywhere—take it slow.

**F**orget to bring snacks!

**B**e a line-cutter; be patient & be respectful of your fellow fans.

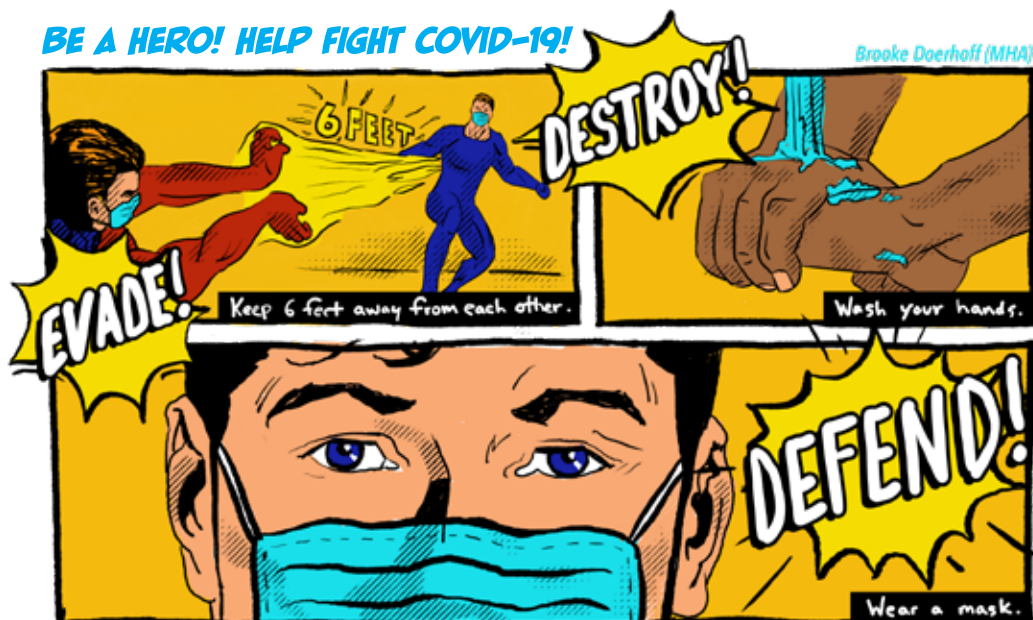

**L**ease your valuables, personal items, or purchases behind.

**T**ake photos of cosplayers without permission.

**L**ose your badge. Put it in the same place when you take it off so you're not hunting for it.

**W**ear offensive t-shirts or anything that make other people or Granitecon staff want to ask you to leave.

**S**top in the middle of a crowded walkway to take photos. Pull off to the side or move to a less crowded area.
